Minister Ursell Arends ta responsabel pa loke e ta bisa como mandatario

No ta un sorpresa cu Minister Ursell Arends, kier mostra medionan di comunicacion y den e caso aki AWEMainta, cu a mal interpreta su palabranan, loke e mandatario a haci ayera den entrevista duna na medionan di comunicacion relaciona cu e caso di Corte contra di Embassy Suites.

Segun e mandatario den su reaccion relaciona cu publicacion di AWEMainta, ta cu e medio aki a mal interpreta su expresion y cu ningun momento el a bisa cu su Prome Minister Evelyn Wever Croes ta para riba ley.

Na Ingles tin un dicho cu ta masha famoso rond mundo y sigur den e mundo politico cu ta bisa: *“speak your words nice and sweet, in case you have to swallow them,”* y esaki ta algo cu Minister Arends tambe tin cu tene su mes na dje.

No ta prome bes cu e mandatario aki pa falta di su experiencia ta haya su mes coregi “otroonan” mientras cu esun cu tin coregi loke e ta haci y bisa, ta su propio persona.

Pa colmo ta pa di dos ocasion cu e lider di RAIZ ta haya su mes den preta cu expresion y accion caminda Prome Minister ta involvi, pa despues ora cu e realiza kico el a bisa of haci, e tin cu coregi su mes rapidamente si e kier sigui den gobierno.

Na inicio di e conflicto aki, Minister Arends, supuestamente riba caminda pa desayuna cu un famia, a dicidi di bay tira bista na e supuesto beach cu Embassy Suites a cuminsa ehecuta, caminda el a anuncia na prensa presente, cu su persona den calidad di Minister di Medio Ambiente y Naturalesa, lo inicia un caso contra di e proyecto aki.

Ora cu el a realiza cu den e proceso aki di entabla un caso hudicial el a lubida cu esun cu a duna e hotel permiso pa ehecuta e proyecto, ta su propio Prome Minister Evelyn, loke a pone na careda pa core kita su nomber for di e keho entrega y laga e proceso cay riba Aruba Birds Foundation.

Diaranson un biaha mas e falta di experiencia di Minister Arends ta sobre sali ora cu e bin dilanti, ningun hende hende pero su persona y kisas pensando cu e lo ta cuestionando e inversionistanan di e proyecto, a declara cu “ningun hende ta riba ley,” lubidando atrobe cu ta Premier Evelyn a duna e hotel e permiso.

Ta pa tal motibo e inversionistanan a dicidi cu nan lo apela e decision aki ya cu no ta “zomaar iemand” a duna nan e permiso cu awor Hues a dicidi di destrui e permiso aki cu ta prohibi e hotel construi un beach na e sitio, caminda nunca antes tabatin un beach.

Minister Arends ya caba a pasa den preta cu su decision di hiba Prome Minister Corte loke ya caba mester a mostra su persona, cu e tin cu keda for di e asunto aki ya cu el a bira un caso di e fundacion contra di e permiso cu Prome Minister a otorga na e hotel y tuma un posicion un tiki mas neutral den e asunto aki, ya cu e proyecto aki, ta cay bou di responsabilidad di su colega Minister di Turismo, Dangui Oduber.

No ta AWEMainta a interpreta su declaracion robes pero ta Minister Arends ta esun responsabel pa tur palabra cu e ta expresa na prensa.

Minister Glenbert Croes ta esun autorisa pa duna of kita prohibicion di entrada

Recientemente tabatin decision den un caso den Corte Runda tabata den lucha kende tin rason: Minister Rocco Tjon di Husticia of Minister Glenbert Croes di Integracion. Ta trata di un persona cu a yega Aruba na 1995 y a keda ilegal. Un biaha so el a pidi permiso y despues a hay'e den situacion di ilegalidad y a deporte.

Pero den e tempo cu e tabata biba na Aruba, el a forma un famia y tin un yiu. Na momento cu a gar'e aña pasa, a dicidi di deporte. Na mesun momento a inform'e cu ta bay deporte y ora cu esey sosode, e lo no por drenta Aruba durante 96 luna, pues pa ocho aña largo e no por drenta Aruba.

El a busca ayudo cerca abogado mr. Odor, kende a cuminsa cana e proceso cu ne, aunke cu a deporte. El a manda un peticion na Minister di Integracion pa motibonan humanitario kita e parti di prohibicion di entrada mirando cu e tin un yiu menor di edad, cu tin nacionalidad Hulandes, cu e mester cria.

Pero no tabata Minister di Integracion cu a contest'e sino esun di Husticia, cu a rechasa su peticion. Den un otro carta a baha a lunanan cu e no por drenta Aruba na 66.

El a dicidi di bay corte pidiendo pa e minister concerni dun'e un contesta. Hues a dun'e rason y a conclui cu ta minister Glenbert Croes ta esun cu mester conteste. A destrui e decision di Tjon cu e ordo pa manda e peticion pa e minister concerni.

Pero Tjon no a keda contento pa cual a dicidi di apela e decision aki. A resulta cu e ley cu ta formula con e ministerionan ta hinca den otro, sa cambia cu cada gobierno. Corte a mostra cu e Landsverordening instelling ministeries 2022 (Lim), cu ta esun mas ultimo, ta menciona cu Minister di Integracion ta esun encarga cu maneho di stranheria y integracion. Y e ta e minister autorisa pa fiha e periodo durante cual un persona no por drenta Aruba, of por bisa cu e ta laga e persona drenta toch, a pesar cu el a wordo deporta. E decision di Tjon tabata uno ilegal.

Niun caminda den e Ley di Admision y Expulsion ta para cu e por pone un periodo di prohibicion di entrada ora cu e firma un ordo di deportacion. Ta menciona cu e por pone den e ordo di deportacion cuanto tempo e Minister di Integracion, si esey ta e caso, a duna cu e persona no por drenta Aruba. E Lim aki ta esun cu a drenta na vigor na maart, 2022.

OPINION PUBLICO

SKIRBI PA TOKO WINKLAAR

Parlamentario di MEP tambe por a haci loke Mike Eman a haci

E problema mas grandi aki na Aruba den gobernation di e pais aki, ta sinta cerca e propio Parlamentarionan, representantenan di pueblo den Parlamento pero cu lamentablemente pa algun tempo caba, hopi di nan ta sirbi gobierno na luga di sirbi pueblo.

Cu gran atencion mi a sigui un conferencia di prensa di fraccion di MEP, den cual entre otro parlamentario Setty Christiaans Yarzagaray a hiba palabra caminda el a duna atencion na e biahe di lider di AVP, kende ta Parlamentario Mike Eman na Hulanda.

Setty a cuestiona e hecho cu segun su opinion, cu Mike Eman ta bibando den un fantasia cu ainda e ta kere cu e ta Prome Minister di Aruba, cuestionando e nificacion di e biahe di e lider di AVP, haciendo hasta e observacion cu e hendenan aki no por yuda Aruba den ningun forma.

Segun e miembro di fraccion di MEP, Mike su trabou ta den Parlamento di Aruba y no na Aruba, creando un biaha mas e impresion cu e ta mucha manda pa bin bagatelisa tur loke Mike Eman a haci y logra na Hulanda.

Loke Mike a haci den nomber di fraccion di AVP den Parlamento, ta di tuma un iniciativa di reuni cu mandatario- y parlamentarionan Hulandes, pa presenta un alternativa cu ta parti di e vision di su partido, algo cu den seis aña di dos fraccion di MEP, ningun pero ningun miembro di e fraccion geel a haci.

Awor ta bin bisa cu ta pasobra Mike a mira Evelyn na Hulanda, el a dicidi di core bay su tras, mientras cu den ultimo 6 aña cu Evelyn ta Prome Minister, el a biaha pa Hulanda na un record cantidad di ocasion, sin cu nunca el a hiba un solo miembro di fraccion di MEP pa mira kico e ta haciendo.

Al contrario ta ora cu Evelyn caba di firma tur cos, e ta bin Aruba pidi un 'bijeekkomst' tin ora hasta porta cera, pa informa e fraccionnan cu ta sostiene gobierno kico el a haci, kico el a firma pero sin ningun participacion di su propio fraccion.

Setty y demas parlamentario di fraccion di MEP a acepta e falta di respet aki, ya cu ta ora Prome Minister ta dicidi cu e kier bin pariba na parlamento pa informa loke ya el a haci caba, nan ta acepta esaki tambe ya cu nan no ta ser permiti pa hiba control riba e maneho di Evelyn.

Na mes momento Parlamentario Setty a mostra cu Mike a biaha c'um plan fantasma pero su propio Prome Minister den ultimo dos luna, tabata na ocho ocasion na Hulanda, algun pa vacacion pero riba ningun di e biahenan aki, Setty of otro miembronan di fraccion di MEP tabata na altura di kico ta contenido di e plan di nan lider.

Setty mester a sikiera nombra un solo miembro di fraccion di MEP, cu a tuma e iniciativa pa presenta un alternativa na e maneho di su lider pa cu e debe di covid y con por a yega na un solucion faborabel pa Aruba pero esaki no a tuma luga y e mentalidad cu ta pa motibo cu un miembro di oposicion a biaha pa Hulanda riba propio gasto, no mester ta motibo pa cuestiona e hecho aki si boso mes, e fraccion di MEP no a duna aporte algun.

Cu condicion ancora den LAft Eerste Kamer kier sa si Alexandra van Huffelen ta dispuesto duna Aruba interes mas abou

Awo a sali na cla cu un grupo di senadonan di Eerste Kamer a cuminsa haci averiguacion di e prestamo di pandemia cu Hulanda kier duna Aruba na un interes mas halto cu normal. A keda publica na Hulanda cu prome minister mr. Evelyn Wever Croes durante su bishita na madre patria y su bishita na Eerste Kamer a papia riba e preocupacion existente na Aruba. E echo cu Gobierno di Hulanda ta poniendo hopi presion enbes di brinda ayuda manera e articulo di Statuut ta bisa. Mas pasobra a duna otro pais prestamo na interes abou di un poco mas cu 3 porciento, mientras cu Aruba a haya e prestamo na 6.9 porciento. Esaki ta un diferencia grandi di e suma cu mester paga anualmente na interes si a haya esun abou.

Prome Minister Evelyn Wever Croes durante su bishita na Hulanda a papia ampliamente cu senadonan di Eerste Kamer y e tempo di prestamo di casi 1 bion florin a bini riba mesa. A muestra of duna un splicacion amplio di tur loke Aruba a haci y cual ta e problema existente aworaki cu Hulanda a dicidi di pone un interes asina halto pa Aruba. Tur esaki pa motibo cu no kier bay di acuerdo cu un Rijkswet.

E fraccionnan tabatin un reunion of debate cu Secretario di Estado Alexandra van Huffelen, unda cu e tema aki a bini dilanti tambe. A bisa e funcionario cu di berdad nan ta haya cu e interes aki no ta na su luga. E fraccionnan en cuestion tambe a manda un serie di pregunta pa Secretario di Estado pidiendo pa haya contesta prome cu cuater siman pasa. E fraccionnan ta sugeri pa yega na un compromiso husto. Nan ta sugeri pa hinca e normanan di presupuesto den e LAft proponi door di Aruba y inclui cu lo subi e interes si parlamento mishi cu e normanan.

A puntra ki ta e suma total cu Aruba mester paga na interes a base di e acuerdo di prestamo firma y cuanto mas hopi e ta cu si Aruba a cumpli cu e condicion di un Rijkswet cu supervision financiero. Nan kier sa si den e Landsverordening Aruba financieel toezicht (LAft) Aruba a pone normanan pa cu presupuesto comparabel na loke ta hinca den e Rijkswet proponi, si lo a acepta e LAft como un areglo aceptabel di control financiero.

Ta bisa cu nan por a compronde cu Aruba a yega di ofrece pa adapta e LAft di tal forma cu ta hinca e normanan di presupuesto comparabel di loke kier pone den Rijkswet. Y si t'asina, con a reacciona riba

e proposicion y pakico no a acepta esaki. Nan kier sa tambe ki indicacion tin cu Aruba no ta cumpli cu su obligacion di paga cu ta kere cu esaki lo trece cu ne un riesgo asina grandi cu mester a pone un porcentahe di interes mas halto. Di con e riesgo ey no ta existi si cobra Aruba un interes mas halto. Ta corecto cu e exigencianan pa yega na un rijkswet pa haya interes mas abou ta basa riba e echo cu Aruba por cambia e LAft mas despues, aunke cu e normanan di presupuesto exige ta igual den ambos. Nan kier sa pakico ta pensa cu despues lo kier cambia e normanan.

Nan ta puntra van Huffelen si e ta dispuesto pa adapta e prestamo door di pone toch un interes mas abou, si nan cumpli cu e dos condicionnan: Ta pone den e LAft normanan presupuestario cu ta comparabel cu ta aparece den e Rijkswet proponi; y den e acuerdo di prestamo ta pone un clausula cu ta duna Hulanda e derecho pa duna un porcentahe di interes mas halto si Aruba dicidi di cambia e normanan presupuestario ariba sugeri.

Esnan cu a manda pregunta ta e fraccionnan di: PvdA; GroenLinks/PvdA, BBB. Volt y OPNL. E fraccionnan aki tin 36 asiento cu ta net e mayoria. Pero esnan di CDA, D66 y ChristenUnie tambe a indica di ta faborece e proposicionnan ariba menciona.

Tweede Kamer por traha y adapta leyman, mientras cu Eerste Kamer por solamente aproba of desapropa leyman nobo. Eerste Kamer ta controla, mescos cu Tweede Kamer, e Gobierno.

Despues cu Tweede Kamer acepta un proposicion di ley, Eerste Kamer tambe mester aprob'e. Contrario na Tweede Kamer, Eerste Kamer no por cambia e proposicionnan di ley mas. Nan mes no por bini cu iniciativanan tampoco.

WEB ta investiga keho riba calidad di awa

WEB Aruba NV a tuma nota di informacionnan cu a keda publica den prensa online tocante posibel awa cu lo a sali troebel y cu color cu no ta normal for di tuberia di un cas y tambe di caso di awa cu lo ta smaak brak.

Nos na WEB ta tuma kehonan masha serio. Salud y bienestar di nos clientenan ta nos prioridad principal. Inmediatamente nos personal specialisa a forma un team pa bay haci investigacion. Na Primavera a bin constata cu na un cas tin trabaonan andando pa cambia tuberia. A papia cu e personanan na e parcela y a bin compronde cu nan ta cambiando e tuberia di e cas di tubonan di Koper pa tubonan hdpe (PVC flexibel) y cu ta nan mes a bay media.

Nos personal a splica e personanan cu na momento cu ta cambia tuberia, bo por haya e efecto cu e awa despues ta sali temporalmente cu color troebel. Den trabaonan cu tuberia esaki ta conoci como "Water Flushing". Sedimentonan of mineralnan acumula den e tuberia anterior por a sacudi of move durante trabaonan y por cambia e color di awa temporalmente. Esaki por sosode tambe ora cu tin trilling di e suelo ora cu den vecindario di e tubonan tin construccion of cobamento andando. E team di WEB a recomenda e persona pa despues cu e caba di haci tur e cambio di tuberia, pa laga e awa core pa flush out e sistema y si e awa no claria y bira transparente normal e por yama WEB pa bin dune asistencia.

Den caso di cualke irregularidad di awa na bo propiedad, ta importante pa notifica WEB inmediatamente. Tuma contacto cu nos na 280-4600.

Nombramento Director nobo di Arubahuis no a cay bon cu tur hende

For di momento cu Gabinete Wever Croes II pa medio di Prome Minister Evelyn Wever Croes a anuncia cu despues di un proceso di reclutacion pa haya un candidato adecuado y capacita pa ocupa e posicion di Arubahuis na Hulanda, a bay over na anuncia cu Joselin Barroso Croes lo bay ocupa e puesto aki cuminsando for di dia 1 di December 2023, cu ta aki 14 dia.

Prome Minister a muestra cu gobierno a sigui un proceso pa haya candidato y a reuni cu tur esunnan cu a solicita pa finalmente yega na e conclusion di sra Barroso Croes, ta e candidato mas adecua y capacita pa ocupa e puesto aki.

Hopi hende ta kere cu sin duda Joselin ta un persona capacita pa dirigi Arubahuis pero no ta contento cu a bolbe nombrar un persona cu ta liga na politica y kende tin un pasado politico y ya su persona a wordo nombra den e puesto di Minister Plenipotenciario, "voorgedragen" pa un di e dos partidonan politico di coalicion.

Loke ta impresionante di e decision aki di Gabinete Wever Croes II pa nombra Joselin den e puesto nobo aki na Arubahuis, ta e hecho cu su persona lo baha cu retiro como Minister Plenipotenciario na Washington pa bay Hulanda un dia despues pa asumi e posicion di director.

Mientras cu Prome Minister a muestra cu a scucha varios candidato, tin un sentimento cu e proceso no a cana manera e mester a cana y cu gobierno kier a pone un persona cu lo por atende cu e investigacion cu su persona mes a pidi pa wordo haci cu maneho di Arubahuis.

Hopi hoben kendenan a termina cu nan estudio, kendenan a keda cu debe grandi pa paga di esaki, ta capacita pa ocupa e puesto aki pero e hecho cu kisas nan no ta liga na ningun partido den gobierno, ta pone cu e oportunidad aki no ta habri pa nan pero pa un persona cu tin laso politico di e partidonan den gobierno.

E credibilidad di Joselin ta for di discusion pero su nombramento a cana e mesun canal di e politica tradicional cu ta existi aki na Aruba loke ta evita cu hopi hoben y adultonan bon studia y kisas hasta mas capacita pa un posicion asina, nunca lo haya e oportunidad aki, loke en parti ta splica di con hopi hoben cu caba cu nan estudio specialisa na Hulanda, no kier regresa nan pais ya cu gobierno mes ta limita esakinan.

Presupuesto 2024 Gobierno no a contesta preguntanan di Parlamento riba presupuesto

Despues cu gobierno a cumpli cu su responsabilidad di entrega presupuesto 2024 na tempo, esta prome cu 1 di September ultimo, cosnan no a cana manera tabata e impresion cu entre otro Minister di Financia, Xiomara Maduro, a sugeri anteriormente.

Falta 10 dia pa luna di November bira algo di pasado y no tin fecha oficial ainda pa Parlamento trata presupuesto 2024 ya cu ainda gobierno, no a contesta preguntanan cu miembronan di Parlamento a haci riba e presupuesto aki.

Preguntanan a ser manda pa mandatarionan di Gabinete Wever Croes II for di luna pasa y despues di algo mas cu cuater siman, ainda ningun contesta a yega na parlamento pa wordo evalua y haci preparacion pa pone un fecha concreto pa Parlamento trata e reunion aki.

Pa resto di e luna aki no tin ningun reunion oficial riba agenda pero fuera di e presupuesto di 2024, ainda Parlamento tin cu trata e presupuesto supletorio 2023 cu tampoco ta completamente cla pa wordo atendi.

Fraccionnan den Parlamento a dirigi mas cu 400 pregunta pa gobierno pero mirando e hecho cu mayoria di Minister den e Gabinete ta pasa asina hopi tempo den exterior, ta mas cu logico cu tempo ta pasando sin cu algo concreto ta tuma luga pa realmente atende cu e presupuesto 2024 y aproba esaki den e tempo stipula pa Ley di Compatibilidad.

Parlamento mes ta drenta reces dia 20 di December cu ta aki un luna pero ainda no tin reunion publico of bijeenkomst oficialmente reserva pa e reunionnan wordo atendi.

Loke falta ainda pa drenta na Parlamento ta e presuestonan di Raad van Advies, esun di DOW y e presupuesto di Parlamento, cual nan ta ser trata riba fecha despues di trata e presupuesto den su totalidad.

Eric Ras (Curpa):

Coresponsabel pa creacion di e mega debe ta partidonan AVP y tambe MEP

Gobierno di Aruba ta halando su ultimo rosea? Ministernan ta biahando pa loco mientras cu nos tin un pueblo cu tin cu biba den miseria. Gobierno kier reclama Hulanda paso Aruba tabata esclavo di Hulanda y kier pa Hulanda exonera e 916 milyon florin cu a fia na aña 2020. A habri man tuma placa pero awor ta mostra con mal pagado nos gobierno ta. Locual cu gobierno no kier mira ta cu gobierno a haci pueblo di Aruba esclavo di gobierno. E medidanan tuma riba pueblo di Aruba ta pa gobierno biaha rond mundo. Ora nan ta na Aruba nan ta haya delirio pa subi avion pero nan ta lubida cu tanto partido MEP y partido RAIZ ta hala nan ultimo rosea den gobierno. E miho regalo cu pueblo por haya pa habri aña ta si gobierno pidi su retiro.

Aña ta yegando su fin y nos no a mira e caminda dilanti hotelnan grandi wordo renoba. Tin un rapport riba e planta di purificacion na Bubalipias cu gobierno kier a sconde, pero cu a sali den publicidad. E rapport ta señala cu e planta di purificacion ta den un mal estado y cu mester wordo renoba mas lihe cu ta posibel. Mientras tanto 2 aña y mei a pasa y nada a wordo haci. Kier sigui traha mas hotel y tin hotel cu a gana caso contra di gobierno y cu daño perhuicio. E minister ta bringa Embassy Suite den corte pa proteha naturalesa pero di otro banda e no ta haci nada pa proteha naturalesa. E minister ta debidamente na altura cu pa via di su mal maneho nos beachnan y bida marino ta wordo destrui. E minister kier punta debe nos prome minister pero e minister mes ta sinta man crusa y laga e baca hoga. nada. Ni asina nada ta wordo haci.

Un planta cu tin e capacidad pa procesa 4300 metro cubico pero den e tempo aki mester procesa 8000 meter cubico. Gobierno ta bisa di lo hinc'e bao di WEB pero puro gañamento y nada concreto. Nos ta kere cu WEB ta hinc rand rand den debe cu nan no tin espacio pa mas debe.

E gobierno aki cu a crea GIGA DEBE den 6 aña

di gobernacion. Nan programa di gobernacion ta viaha rond mundo y suta pueblo cu medida. Kier gaba cu turismo y cu hopi placa ta keda atras pero parce e placa ta bay den un bari sin dom. No tin placa pa yega nan.

Fuera di planta di purificacion na Bubalipias nos por mira cu camindanan rond Aruba ta den mal estado y cu awasero ta pio so e camindanan a bira. Nos tin un centro di ciudad cu ta un ghost town y ainda mas kier cobra pa staciona. E proyecto den Columbusstraat cu ta un cos chikito no tin fin di keda cla. No a bin ningun pilar economico. Simplemente nos tin un gobierno di desastre. Problema den Saba, Serlimar, Arubus y Post Aruba NV. Tur caminda ta mira sushi paso pueblo no tin espacio mas den nan cartera.

Prome biaha den nos historia nos tin un hende muher como prome minister pero e lo bay den historia di pais Aruba como esun cu a crea e GIGA DEBE y cu a entrega autonomia di pais Aruba. Nos prome minister a firma COHO (landspakket) cu despues a bira Onderlinge Regeling, pero nada no a cambia paso mayoria di e landspakketnan a wordo implementa.

E gobierno muribundo aki su dianan ta conta. Un gobierno cu no ta respeta ley di Dios su dia lo yega. Un gobierno cu ta kere di cu por haci bofon di Dios y nada lo pasa. Dios su husticia ta na porta paso un pueblo no por sigui wordo maltrata. E tempo di Dios ta perfecto. Partido Curpa ta e unico alternativa.

Parlamentario Darlaine Guedez-Erasmus (MEP):

Luna di november ta pone hopi enfasis riba programanan pa matrimonio stabiel

Na luna di september e aña aki, e Comision Vision Pedagogico a organisa pa prome biaha, un congreso special pa pareha yama “Cende e Chispa di bo Relacion”.

E congreso aki ta pa parehanan por bini hunto pa haya hermentnan caminda nan por uza pa asina sa con pa actua diariamente y asina por surpasa e retonan aki di un miho forma, asina Parlamentario di Fraccion di MEP, Darlaine Guedez-Erasmus a trece dilanti. Aruba ta un di e paisnan den e top mundial cu mas caso di divorcio. Separacion ta pone tur cos cambia den un hogar. E inseguridad, parti financiero, custumbernan, tempo di calidad, estructura. E cambio aki ta di hopi impacto riba e pareha cu ta separa, pero sigur riba e yiunan cu tin cu deal cu e situacion aki.

Pa mantene e famia uni, sigur mester traha primordialmente riba relacionnan sano. Uno sigur cu ta tende semper ta e comunicacion den pareha y cu parehanan por biba den amor, paz y union. Sigur cu esaki ta di bon refleho riba nan yiunan tambe. Un hogar cu su fundeshi fuerte ta lanta yiunan fuerte pa participa den nos comunidad, a remarca.

Den luna di november tabata tin diferente programa pa parehanan. Dia 2 di november 2023 den e barrio di Noord a sigui cu e programa ‘Cende E Chispa di bo relacion’, cual a

wordo bon atendi y cu lo sigui den e otro barionan di Aruba pa asina haci mas facil pa habitantenan por acudi.

Iglesia Vida Abundante Aruba tambe a organisa un curso “Ready to Wed” pa preparacion pa parehanan cu ta bay casa. Di cual ta hopi necesario na Aruba, pa asina relacionnan por dura pa semper. Tambe 25 november 2023, Hesus Biña Nobo lo tin nan Conferencia ‘Bulletproof Marriage’ cu ya ta conoci cu tur aña e ta wordo organisa. Sigur un bunita conferencia y cu ta duna bon fruto, Guedez- Erasmus a remarca. “Mi ta contento di mira cu e organisacionnan ta pone hopi atencion na duna hermentnan pa asina matrimonionan por keda funciona bon.

Programanan asina sigur lo ta di gran aporte pa nos sociedad. Unda nos por mira cu mama y tata ta keda hunto y esey ta nifica cu famianan ta keda feliz hunto y stima otro. Asina nos ta sigur cu nos generacion ta keda kere den matrimonio”, Parlamentario Darlaine Guedez-Erasmus a finalisa bisando. Mi persona kier motiva parehanan pa asisti na e programanan aki, paso nan ta bon pa abo y bo persona pero tambe pa e comunidad di Aruba.

Bin bishita nos y probecha!

Parlamentario Hendrik Tevreden ta exigí un disculpa público di Parlamentario Arthur Dowers di AVP

Lider di Fraccion di MEP, Hendrik Tevreden durante rueda di prensa di diaranson mainta a reacciona riba Parlamentario di Fraccion di AVP, Arthur Dowers, kende den un forma baho a insulta Minister di Finansa Xiomara Maduro door di su discurso durante un encuentro na Hulanda riba abolicion di sclavitud y e trato cu Aruba ta hayando for di Hulanda.

El a bisa cu Parlamento di Aruba hopi biaha a vocifera su opinion ariba e tema aki di abolicion y cu Hulanda mester ta mas sincero den momento cu ta trata na pidi disculpa na e islanan, principalmente ora ta mira con Hulanda a bin ta trata y negocia cu gobierno di Corsou, pero tambe cu gobierno di pais Aruba.

Tevreden a bolbe enfatisa e hecho cu Aruba a haya un 'strafrente' cu alfinal lo resulta den mas o menos Afl. 300 milyon extra cu tin di bay paga pasobra Aruba ta bringa pa mantene su autonomia financiero, como Gobierno, Parlamento, y como Pais.

Minister di Finansa a haci un apelacion profundo na e sala na momento di su discurso, pero tambe na henter Reino Hulandes cu a sigui esaki, pa ban reflexiona con nos ta trata cu otro den Reino y Hendrik Tevreden a señala cu esaki a cay den bon tera cerca hopi. Comentarionan di

por ehempel, John Leerdam, cu ta encarga cu e museo pa loke ta abolicion di sclavitud den Reino, a indica cu Minister di Finansa a bisa locual cu hopi hende ta pensa y el a trec'e di un manera hopi diplomatico y corecto.

"E mensahe aki, nos di Parlamento, sigur, tabata warda pa basta tempo pa scucha di parti di Gobierno y nos ta haya lastima y ta condena e expresionnan di Sr. Dowers pa uno, yama Minister di Finansa publicamente den un entrevista na radio, como bestia y bisa tambe cu e discurso cu Minister di Finansa a hiba na Hulanda ariba e tematica di abolicion di sclavitud y e trato cu nos ta ricibi den Reino, ta un discurso di papia coy bestia", Parlamentario Tevreden a declara.

Relaciona cu e insulto aki, Parlamentario Tevreden ta opina cu sr. Dowers a crusa e liña y ta mirando cu ya for di basta tempo su actitud ariba por ehempel, e criticanan riba Ministerio Publico, y e sistema huridico na Aruba ta den un decadencia total. Y ta parce cu pa tur loke ta pasando den nan partido AVP, Dowers ta buscando un hende pa culpa, a bisa.

Mi no a spera e comportacion aki di sr. Dowers y sigur no pa a yega na un nivel asina abao pa yama Minister di Finansa pa bestia. Cu politicamente bo gusta sra. Maduro of no, e ta un dama cu ta luchando pa pais Aruba, haciendo lo corecto den su trabou, y hibando un mensahe pa purba trece un reflexion cu ta hopi necesario den Reino, lider di Fraccion di MEP a expresa.

AVP mes na 2014 a indica cu Hulanda

no a tuma e postura di 'Dominee' cu nan ta pretende di ta, awe diripiente AVP a cambia di opinion? Mientras cu Parlamentario Dowers ta opina asina y ta contra e postura di Gobierno actual, tin profesornan Europeo Hulandes manera Profesor Nicolaï, Eerste Kamer leden sr. Hartog, sr. Crone y tambe rofesor Hoogers, cu tin e pensamiento cu locual cu Hulanda ta haciendo ta robes y nan tur ta condena e hecho con Aruba ta wordo trata den e negociacion aki di un fianza di pandemia.

"Nan di partido AVP cu a yama Hulandesnan pa verkrachters, nan di partido AVP cu a bay sinta yora bao di palo y reclama pais Hulanda, awe bo ta mira cu nan ta bin dilanti pa rason politico, pa rason pa scapa nan partido AVP cu ta deteriorando y bayendo abao, yama Minister di Finansa pa bestia y bagatelisa e discurso cu el a hiba como cos di bestia", e Parlamentario di Fraccion di MEP a indica. Wereld op zijn kop.

Finalmente, Tevreden a declara cu e nivel aki nos no tin cu sigui cu ne na pais Aruba. Mester percura pa cambio di inmediato y nos di Partido MEP ta exigí un disculpa público di Sr. Dowers na Minister di Finansa como persona, como dama politico. Los di bo ideologia y pensamiento contrario como politico, bo ta tratando aki cu un persona, y den e rol como parlamentario bo no por yega na e nivel eynan pa yama e señora aki como bestia. Sr. Dowers tin di tuma esaki na serio, pasobra pueblo mes por mira y scucha kico e a declara publicamente y condena e mentalidad, actitud y arrogancia aki cu ta biba cerca e politiconan di AVP.

Parlamentario Marco Berlis (MEP):

Kico ta ideologia di genero? Parti I

E ideologia destructivo cu ta invadiendo nos comunidad atraves di un agenda scondi

Hopi hende no ta siguiendo e desaroyonan di e “ideologia di genero” den exterior di cerca y p’esey e no ta bati un alarma den e mentenan Arubiano. Originalmente ideologia di genero tin di haber cu actitudnan den rolnan apropia, derechonan, y responsabilidadnan di muhe y hombernan den sociedad. E concepto por refleha e actitudnan aki di un forma general of den un area specifico, manera esun economico, familiar, legal, politico of/ y un area social. Mundialmente pa miles di aña e ideologia di genero semper a drei rond di hende muhe y homber. E ideologia di genero original hopi biaha tabata enfatisa y lucha pa hende muhe haya e mesun derechonan, oportunidadnan y pago den e mundo secular y profesional.

Ideologia di genero global

For di basta aña pasa e movimiento di Ideologia di Genero mundial aki a bin ta agresivamente promove agendanan cu ta purba na redefini e realidad di identidad di genero, e realidad di un famia tradicional, e realidad di matrimonio, e realidad kico ta un homber y un muhe, ta cuestiona e realidad biologico, di ciencia y naturalmente e realidad di religion, den nos sociedad. E movimiento di “ideologia di genero” global y local actualmente ta bringando pa derechonan igual pa parehanan homosexual por casa, ta bringando scondi pa cambia leynan, maneho di gobierno y educacion di nos scolnan cu lo acomoda nan agenda y un realidad nobo di bida y famia nos desconoci actualmente na nos pais. Esaki ta un realidad caba na Europa, Merca, Canada y varios paisnan

mundial. E agenda aki ta conoce resistencia grandi di mayornan, di miembronan mes di LGBTQ+, gobiernonan, y ciudadanonan rond mundo cu no ta acepta pa nan tradicionnan, famia y yiunan wordo indoctrina y afecta pa esnan cu kier redefini nan cultura.

Con LGBTQ+ di Merca ta splica identidad di genero riba nan website

Riba e website nan ta splica cu identidad di genero ta basa riba loke bo ta “sinti” y no pasobra bo a nace cu cierto tipo di organo sexual. E realidad gay no ta algo nobo y ta wordo acepta den nos sociedad. E problema cu e lista di “generonan” ta cu actualmente tin un cantidad sin limite di identidadnan di genero. Kico cu abo sinti bo kier ta, bo por ta. Tin website di esnan pro e ideologia di genero aki ta menciona mas di 100 genero cu bo por identifica cu ne. Pa ilustra e confusion grandi cu nan miembronan ta acapara cu ne, por ser mira den e cantidad creciente y identidadnan sin limite cu ta existi tur rond di mundo. Identidad di genero ta mas bien enfatisa con abo ta “expresa bo mes, relata na bo curpa y kier wordo percibi.” E problema ta awor cu hende tambe a cuminsa identifica como cacho y ta bisti disfraz di cacho, ta biba den nan cas den un cas di cacho, comiendo cumind’I cacho y ta blaf. Asina bo ta haya hende cu ta identifica como cabay, pushi, entre otro. Ta na unda e cos aki ta caba?

Agenda di ideologia di genero ta visibel

Desiree Croes a splica den prensa durante di e “Diversity Walk” cu nan ta bezig ta preparando pa pronto tin e derecho pa cambia bo “acta di nacemento” si bo tabata un mucha muhe, por cambi’e pa mucha homber! Acaso e filosofia di esnan pro e ideologia aki no ta bisa cu sexo y genero ta dos cos diferente?

Awor nos por wak cu esaki no ta e caso. Ademá, a constata y ta sigui constata cu lesnan pro ideologia di genero ta keda presenta scondi na nos muchanan, sin cu mayornan ta na altura. Esaki te mesun modus operandi cu e presentacion di e “Cashi Magico” sin cu mayornan tabata na altura. E agenda aki no conoce respet pa niun tradicion, tin religion-fobia, tradicion-fobia, y ta impone su mes si bo ta gusta of no.

Nos por wak e actitud arogante di Parlamentario Miguel Mansur con e ta sali insulta y lastra clero catolico di Aruba y Corsou sin piedad, ta lastra tur religion, denominacion, tradicion, ta insulta principionan di hende y ta defende y hustifica su actitud baho cueste loke cueste. Miguel Mansur no por soporta critica mescos cu esnan cu ta pro ideologia di genero pasobra e ora segun nan tur hende tin homofobia. Pronto mi lo sigui elabora riba e tema aki.

E peligernan scondi ora di cumpra weganan y gift cards riba G2A.com

Similar cu CDkeys.com, G2A.com ta un marketplace online hopi popular cu ta ofrece un gran variacion di weganan, gift cards y otro productonan digital na un prijs rebaha. Maske e website ta musta di ta un opcion hopi atractivo pa gamers cu ta riba budget, tog ta importante pa sa di e peliger cu por tin ora di haci un compras riba un website mane G2A.

Fraudulent Keys y Scams

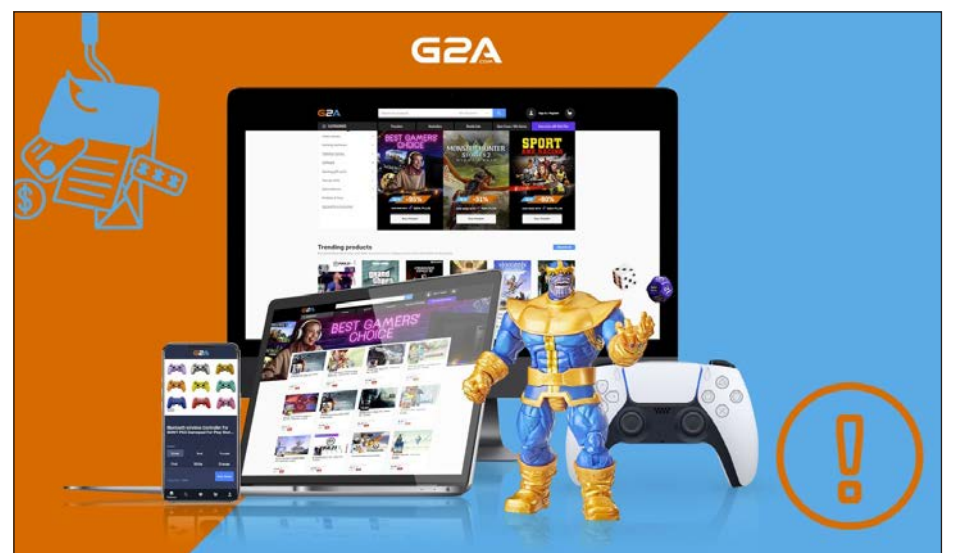

E problema mas grandi di cumpra riba G2A ta e riesgo di bira victima di scam, door di cumpra codes nan fraudulent. Esakinan ta codes nan cu a wordo horta, of cumpra door di credit cards horta, codes nan cu ta invalido, a expira of uza caba. Si bo a ricibi un code fraudulento, bo no lo por haci nada mas y chens ta grandi cu bo lo perde bo placa.

G2A tin un ticket system pa casonan asina, pero hasta esaki ta un scam, paso si bo kier un miho servicio y proteccion tocante scam, bo lo mester paga pa e servicio, pero via varios test, bo paga of no. Bo lo wordo manda den e mesun ticket system cu na final lo termina na nada. Tres di 10 bo lo haya un code nobo, pero chens cu e code aki tambe lo ta invalido, paso e mesun seller lo mester manda bo e code.

Dicon esaki ta pasa? G2A y website similar unda diferente sellers por traha un account y bende gift cards ta conoci pa ta yena cu scammers cu ta eyman pa horta placa door di bende codes uza, invalido of simplemente falso.

Legal y Preocupacion Etico

Un otro preocupacion grandi cu G2A ta cu e website hopi biaha ta bende codes cu a wordo obtene na un manera ilegal. Por ehempel, tin bendedonan cu ta cumpra codes den bulto via darkweb mane Tor uzando cuentanan bancario cu a wordo horta. Tambe tin bendedonan cu ta bende e mesun code cu 2 hende. G2A mes a yega di admiti esaki den corte unda cu nan mester a paga un desoroyado rond di \$40.000

den daño paso nan tabata bende code falso y horta di un desoroyado chikito.

Support for Developers and Publishers

Ora cumpra wega di G2A, bo ta hortando tambe di e desaroyadonan di e wega. Motibo di esaki ta paso, mayoria di e bendedonan riba e website no ta cumpra nan codes directamente for di esunnan cu a traha e wega. Anto e orei indirectamente bo ta apoyando e pirateria cu ta andando den e mundo di gaming.

Alternativanan

Ora cumpra weganan semper lo ta miho pa cumpra directamente for di 'first party sellers' manera PlayStation Store, Steam, EPIC Games store, Xbox Store, of Nintendo eShop. Tambe por cumpra via online retails mane Amazon of Target y si bo ta na Aruba y no tin credit card pa cumpra online e orei bo por cumpra na luganan mane Sams, Boolchands of online sin credit card cerca egamecorner.com.

Dus si bo kier cumpra via G2A semper zorg pa haci bo onderzoek di e bendedo. Si bo wak por ehempel un carhi di PlayStation di \$10 pero nan ta bende pa \$5. Eynan bo sa caba cu e ta of horta of invalido.

KvK ta recorda empresarionan riba obligacionnan legal importante

Camara di Comercio y industria Aruba (KvK) kier a tuma e oportunidad aki pa recorda tur empresario riba cambionan importante den ley y e siguiente obligacionnan stipula pa ley cu ta di importancia pa nan negoshi. E cambionan ta encera e.o cambionan den e posicion legal di asociacionnan, obligacion pa tur fundacion pa registra den e Registro di negoshi y obligacion di registra UBO(nan).

Asociacion cu autoridad legal completo mester wordo inscribi na KvK

Cu e implementacion di Buki 2 di eCodigo Civil di Aruba, tur asociacion a adkiri entidad legal (rechtspersoonlijkheid). Buki 2 ta haci distincion entre asociacionnan cu autoridad legal completo (volledige rechtsbevoegdheid) y asociacionnan cu autoridad legal limita (beperkte rechtsbevoegdheid). E asociacion cu autoridad legal completo ta wordo constitui via acta notarial. Alabes, tin e obligacion legal pa inscribi e asociacion cu autoridad legal completo den e Registro di negoshi na KvK.

Asociacion cu autoridad legal limita por wordo inscribi na KvK

Asociacionnan cu no tabatin entidad legal prome cu Buki 2 a drenta na vigor, a wordo automaticamente converti den asociacionnan cu autoridad limita. Pues, den e sistema nobo e asociacion sin entidad legal no ta figura mas. E dirigentenan ta en principio – ademas di e asociacion – individualmente responsabel pa cualkier debe. No tin e obligacion legal pa inscribi e asociacion cu autoridad legal limita den e Registro di negoshi na KvK, pero esaki si ta posibel. Door di inscribi e asociacion cu autoridad legal limita den e Registro di negoshi, por limita e responsabilidad di e dirigentenan. Pa e motibo aki, KvK ta urgi tur dirigentenan di asociacionnan cu autoridad legal limita pa inscribi e asociacion den e Registro di negoshi na KvK.

Tur fundacion mester wordo inscribi na KvK

Cu e implementacion di Buki 2 di eCodigo Civil di Aruba riba 1 di januari 2021, tur fundacionnan, tin e obligacion legal pa registra den e Registro di negoshi na KvK. Desde e implementacion aki, e Registro di fundacion (Stichtingenregister), ta forma parti di e Registro di negoshi. Fundacionnan cu ya tawata inscribi den e Registro di fundacion prome cu 1 di januari 2021, no mester registra di nobo den e Registro di negoshi na KvK. E registracion aki a tuma luga automaticamente. E fundacionnan aki no mester bolbe paga e montante di inscripcion pero si mester paga e contribucion anual.

Ley di Registro Comercial tin consecuencia pa fundacion existente

Desde 1 di januari 2023 a drenta na vigor un version adapta di e Ley di Registro Comercial (Handelsregisterverordening). Cu e adaptacion aki, tur fundacion tin e obligacion legal pa registra, alabes paga un contribucion anual. Esaki ta nifica cu funda-

cionnan existente prome cu e fecha aki cu nunca a wordo registra, tambe tin e obligacion legal pa registra den e Registro di Negoshi na KvK.

Registracion di UBO(nan)

Un di e cambionan di ley cu a drenta na vigor entrante 1 di januari 2023 ta encera e implementacion di un UBO-register. Un UBO ta e “Ultimate Beneficial Owner”, pues e persona cu na final di cuenta ta e beneficiario/propietario of esun cu por tuma decision pa cu un organisacion, compania, fundacion of asociacion. Por pensa entre otro riba personanan cu tin mas cu 25% di e accionnan di e compania of personanan cu tin mas cu 25% di bienes di un empresa.

E tarea pa instala y administra e UBO-Register a wordo asigna na KvK y a wordo incorpora den e ley di Registro Comercial (Handelsregisterverordening). Entidadnan huridico (rechtspersonen y personenvennootschappen) tin e obligacion di registra nan UBO(nan) den e UBO-Register. E obligacion di registracion aki ta cay riba e director/dirigente/socio y doño di e compania. Den caso cu e director/dirigente/socio of doño di e compania ta un entidad huridico, tur e dirigentenan di e entidad aki mester yena e formulario digital correspondiente pa registra UBO. Tambe ora tin cambio den e doño(nan) mester registra e cambio na KvK.

En principio UBO(nan) di companianan nobo lo wordo registra via notario. Notarionan tambe tin e obligacion, banda di e director/dirigente/socio of doño di e compania, pa haci e registracion di e UBO(nan) di companianan nobo. Ta consehabel pa haci un palabracion cu e notario ken lo haci e registracion di e UBO(nan).

Minister Thijsen den discurso na “Care Caribbean”:

‘Mester di mas incentivo pa trece nos hendenan bek pa reforsa e mercado laboral’

‘**NOS** como Aruba lo mester uni forsa, tanto gobierno y e sector priva – no solamente den e sector di cuida – pero tur sector di nos economia. Bin cu incentivo pa stimula Arubiano pa regresa nan pais. Traha na condicionnan di trabao atractivo, asina cu e persona tin un escogencia. Esey na mi aparece ta e caminda cu nos mester tuma!’ Esaki tabata e mensahe di Minister Plenipotenciario mr. Ady Thijsen den un discurso na e bolsa “Care Caribbean” den WTC na Den Haag. Na e bolsa tabata tin diferente organisacionnan y institucionan di e sector di salubridad di Aruba, Curaçao, St. Maarten, Boneiro, Saba y St. Eustatius. Nan presencia na “Care Caribbean” ta pa medio di informacion purba interesa y busca profesionalnan di origen Caribense den salubridad pa bin traha na e parti Caribense di Reino Hulandes.

Minister Thijsen cuminsa su discurso bisando cu e ta contento cu e iniciativa aki pa duna atencion na e sector di cuida y bienestar general na e islanan. En special cu e proposito pa motiva Arubianonan pa regresa Aruba pa traha den e sector di salubridad. ‘Pakico esaki ta hopi importante? Pasobra e cantidad di personanan na Aruba cu ta bandona e mercado laboral (vergrijzing) ta aumentando. Den futuro lo mester di hopi mas profesionalnan pa duna e cuida necesario. Esaki riba su mes ta un rason legitimo pa duna atencion na dje,’ asina minister Thijsen a bisa.

E mandatario a sigui bisa cu pa motibo di e “vergrijzing” Aruba lo mester di miles di hende pa haci e trabao di esnan cu ta baha cu pensioen. ‘Ta wordo calcula cu Aruba den un futuro no mucho leu lo mester di 20 mil trahado pa mantene e nivel di crecimiento economico actual. E combinacion di e “vergrijzing” y e indice di natalicio abou, loke ta wordo indica como crecimiento natural, pa haci cu hopi di e trahadonan aki lo mester bin di afo di Aruba. Ki consecuencia esaki por tin pa un pais chikito manera Aruba, nos por a mira den añanan 90, door di e boost di turismo. E poblacion di Aruba a crece di 60 mil na 1986 ora cu Aruba a haya su Status Aparte na 110 mil awor. Importa trahado for di exterior ta trece tambe cierto risico cu ne.

Segun e tratado di Europa pa Derechonan Humano (EVRM), e trahado despues di tres aña trahando na Aruba tin derecho pa manda busca su famia. Si nos por multiplica e cifra di 20 mil cu factor 3, nos ta yega na un cantidad di 60 mil habitante. Esaki lo pone un presion enorme riba e facilidadnan

manera: vivienda, scol y bo infraestructura,’ segun sr. Thijsen. ‘Esaki ta e motibo cu mi ta boga pa nos hendenan regresa nan pais. No ta un tarea facil. Aruba mester competi cu condicionnan di trabao di Hulanda. Tambe hopi hoben tin un fianza di estudio na euro. Nos como Aruba lo mester uni forsa, tanto gobierno y e sector priva – no solamente den e sector di cuida – pero tur sector di nos economia. Bin cu incentivo pa stimula Arubiano pa regresa nan pais. Traha na condicionnan di trabao atractivo, asina cu e persona tin un escogencia. Esey na mi aparece ta e caminda cu nos mester tuma!’ segun Minister Thijsen den su discurso.

Finalmente Minister Thijsen a haci un apelacion riba e sector di cuida di Aruba pa haci mas uzo di iniciativanan, manera “Care Caribbean” pa yega na personal bon cualifica, cu experiencia y cu ta motiva pa duna e cuida mas bon posibel na e pueblo di Aruba.

Hende muhe ta, y ta keda, e joya di creacion di Dios

DEN e buki di Genesis capitulo 2:18 ta para skirbi: E ora ey Dios a bisa, no ta bon pa e homber ta so, lo Mi traha un yudado cu ta pas cu ne.

Asina ta para skirbi den Genesis 2: 21 : Señor a haci e homber pega soño profundo.

Y e a drumi, e ora ey E a tuma un di su ribchinan y a cera e carni na e luga ey.

Señor Dios a traha un muhe cu e ribchi cu E a tuma for di e homber y e a hibe pa e homber.

Y e homber a bisa esaki ta awor weso di mi wesonan y carni di mi carni, e lo wordo yama Muhe pasobra e a wordo tuma for di un Homber.

E obra maestra aki ta Dios so por a haci'e.

Hende muhe a wordo forma cu excelencia den man di Dios Todopoderoso.

Si no tabatin muhe na mundo, mundo lo no tabatin poblacion.

Ta pa motibo di hende muhe poblacion di mundo no por stop di crece, pasobra cada biaha cu un muhe tene un relacion cu un homber, esey ta nifica cu un ser humano mas a bin aserca.

Ni maske kico hende haci, cualkier cambio cu un hende kier haci na su curpa, ta imposibel pa yega na e altura di e creacion excelente di Dios cu yama muhe.

E formacion di un hende muhe ta unico,
E ta crea pa multiplica,
Su organonan den su curpa ta unico y nan no por wordo reemplasa,
Su fisico ta diferente for di esun di un homber,
Su actitud ta diferente for di esun di hende homber,
Su resistencia ta diferente for di esun di hende homber.
Tur esey ta Dios a pone den e curpa di un hende muhe.

Bijbel ta papia di muhenan cu a marca historia den obediencia na Dios, muhenan cu a kere, para firme y sirbi Dios. Muhe ta mama di nos tur, pasobra tur ser humano tin un mama cual ta un hende muhe.

Muhe ta mama di nos Salvador Cristo Hesus.

Muhe ta e ayudante di e homber.

Muhe ta un pilar social reconece riba henter mundo.

Muhe ta un fuente di comunicacion.

Muhe ta un simbolo di beyesa.

Muhe ta un pilar di educacion.

Ningun homber no por bira muhe, tampoco ningun muhe por bira homber pasobra aunke nan purba cambia nan curpa, nan mente y nan curason no ta cambia.

Y hasta den sanger di hende por wordo nota si e ta homber of muhe, pasobra locual Dios a crea hende no por cambia.

Mundialmente ta muestra cu hopi hende cu a wordo engaña door di e enemigo, pa haci cambio na nan curpa, y asina demostra cu nan no kier ta, locual Dios a crea nan, a cay den alcohol, droga, amargura, pasobra nan a bin realisa cu nan cambio ta superficial y tin hasta a yega na suicidio, pa motibo di soledad.

Esun cu haya un esposa ta haya algo bon, y ta ricibi fabor di Señor (Proverbionan 18:22).

Hende muhe ta crea pa somete su mes na un homber, pasobra solamente un muhe por haci un homber bira tata, y solamente un homber por haci un muhe bira mama.

Laga den cada matrimonio e muhe wordo stima, y respeta como esposa y como mama, pasobra esey ta boluntad di Dios pa tur matrimonio.

E diabel ta un copiado baho y barata, y mas cu tur cos un gran mentiroso.

Pero nos Dios a crea homber y muhe pa semper nan keda homber y muhe.

Minister Ursell Arends:

Rising Concerns Over Increasing Illegal Haitian Employment in the Dominican Republic

THE Dominican Republic is witnessing a surge in the participation of illegal Haitians in various sectors, extending beyond traditional industries like sugar, agriculture, and construction to areas such as public transportation, street sales, domestic service, security companies, and hotels. This phenomenon, impacting nearly every sector, raises

questions about compliance with labor regulations.

Despite the Labor Code's regulation (article 135) stipulating a 20 percent quota for jobs in formal companies for legal foreigners, enforcement appears lacking. President Luis Abinader has recognized the challenge and emphasized the need for prioritizing jobs for Dominicans. The National Confederation of Transportation Organizations (CONATRA) has taken a stand against this trend, instructing its unions and companies not to employ illegal Haitians.

This directive from CONATRA seeks to restore adherence to migration laws and the Labor Code, urging formal companies to follow suit. Instances of illegal Haitians, including drivers and motoconchistas, operating public transportation without proper documentation have been reported, prompting concerns among Dominicans. The presence of illegal Haitians has sparked public protests against perceived authorities' negligence in enforcing laws and regulating foreign presence in the country.

Cross-Border Operation Reveals Extensive VAT Fraud Scheme in Germany and Netherlands

AN operation conducted by the European Public Prosecutor's Office (EPPO) on November 7 uncovered a significant VAT fraud scheme involving Chinese nationals operating in the Netherlands and Germany. The alleged organized crime group is suspected of dodging taxes and customs duties exceeding 200 million euros. Over 300 tax and customs investigators, supported by the Dutch financial crimes inspectorate FIOD, carried out the operation, searching more than 200 locations.

The group, believed to be the leaders of the scheme, is accused of importing large quantities of textiles, shoes, and electronics from China to the EU. They allegedly used fake invoices to diminish the declared value of the goods, thus reducing the payable customs duties. Additionally, the group is suspected of evading VAT payments by exploiting a loophole in the EU importation mechanism that exempts VAT for goods transported from one EU member state to another for final delivery.

The operation resulted in the arrest of four suspects currently in custody. Authorities seized over 450,000 euros in cash,

two luxury cars, 80 smartphones, 30 hard disks, and several servers. The EPPO highlighted the necessity for the alleged criminals to establish an extensive network of middlemen, predominantly in Germany, Belgium, and the Netherlands, to facilitate customs clearance and logistics within the EU. The investigation underscores the challenges posed by VAT fraud and the need for enhanced measures to combat such financial crimes.

Navigating Geopolitical Waves:

Denmark's Role in Potentially Blocking Russian Oil Tankers

AS Western powers strategize on more robust measures to enforce a price cap on Kremlin's crude oil, Denmark emerges as a pivotal player in potential disruption to Russia's oil shipments. Under new EU plans, Denmark could take on the responsibility of inspecting and, if necessary, blocking tankers carrying Russian oil passing through its waters.

Approximately 60% of Russia's total seaborne oil exports, all of which traverse the Baltic Sea, depend on the narrow Danish straits for their journey to international markets. The proposed move by Denmark aligns with laws allowing states to inspect vessels, particularly those lacking western insurance, under the pretext of potential environmental threats.

The backdrop for such actions stems from the acknowledgment that "almost none" of Russia's crude exports adhered to the \$60-a-barrel cap set by the G7 group in response to Russia's invasion of Ukraine. Oil revenues form a critical financial pillar for President Vladimir Putin, supporting Russia's military efforts amid concerns about Ukraine's financial support from the West.

The G7 cap specifically demands that western ship insurers provide coverage only to Russian shipments sold for less than \$60 a barrel. However, suspicions arise about the authenticity of financial statements and non-western insur-

ance policies associated with an increasing number of tankers carrying Russian crude.

The EU is particularly concerned about the efficacy of non-western insurance in the event of an oil spill, amplifying the importance of enforcing insurance regulations. This initiative targets not only economic consequences but also emphasizes environmental considerations, as many Russian oil shipments operate on "shadow fleets" of older vessels, raising the risk of breakdowns and spills.

The proposed measures rely on Denmark's naval authorities to stop and inspect tankers, raising questions about potential complications if a ship refuses to comply. The overarching goal appears to be making the trading of Russian oil bureaucratically onerous, prompting buyers to demand larger discounts, according to Henning Gloystein at Eurasia Group.

As discussions unfold on tightening the oil price cap, Denmark's potential role adds a new layer to the complex geopolitical dynamics surrounding Russia's oil exports. The effectiveness of these measures will undoubtedly impact not only Russia's economic landscape but also contribute to the broader efforts of Western nations in responding to geopolitical challenges.

UK Boosts Offshore Wind Subsidies by 66% to Revive Struggling Sector

A bid to rejuvenate the offshore wind sector grappling with soaring costs, the UK government has announced a substantial increase of up to two-thirds in subsidies for offshore wind developers. The move aims to reignite interest in new projects after developers avoided the last auction, citing insufficient subsidies.

The maximum price available in the upcoming auction for state contracts to construct offshore wind farms will be 66% higher than in the previous 2023 bidding round. This decision comes as a response to concerns raised by developers about the inadequacy of subsidies in the last auction.

Claire Coutinho, the energy secretary, acknowledged the “global challenges” impacting offshore wind and emphasized that the enhanced auction terms aim to foster the development of “homegrown clean energy.” The government is also set to increase the maximum price for other renewable tech-

nologies, including a 30% uplift for solar farms.

While the industry welcomed the move, it’s important to note that any increase in subsidies will eventually be borne by households, who are already grappling with high energy bills. Developers such as Ørsted and Scottish Power praised the government’s decision, seeing it as a positive signal for the future of offshore wind in the UK.

Henrik Andersen, CEO of Vestas Wind Systems, a major wind turbine maker, described the move as an “important first step towards restoring investor confidence and getting projects back on track,” emphasizing its potential to lower power prices in the UK.

The failed auction round in September, where not a single bid was submitted for an offshore wind project, underscored the challenges faced by the sector. Developers argued that the maximum strike price of £44 per MWh was insufficient to counter the surge in global industry costs. The new subsidies, with a maximum strike price of £73 per MWh for offshore contracts, aim to address these concerns.

With the UK government targeting a nearly fourfold increase in offshore wind capacity to 50GW by 2030, the rapid development of projects becomes crucial. The next auction round is scheduled for next year, with results expected to be announced in September, reflecting the government’s commitment to advancing its renewable energy goals.

High-Flying Escape: Horse Breaks Free on Boeing 747, Forces U-Turn

A Boeing 747 cargo jet en route from New York to Belgium faced an unexpected twist when a horse managed to escape its stall mid-flight, prompting the plane to make a U-turn at 30,000 feet (9,144 meters). The pilot of Air Atlanta Icelandic flight 4592 reported the live animal on board, emphasizing the challenge of securing the loose horse.

Approximately 90 minutes into the journey, the decision was made to return to John F Kennedy International Airport. The pilot, in communication with air traffic control, expressed the need for a veterinarian to meet the aircraft upon landing. The horse’s escape led to an unusual request to dump

20 tonnes of fuel “east of Nantucket” to adjust the plane’s weight.

While the method of the horse’s escape remains unclear, it was evident that the animal was unrestrained upon landing. The pilot confirmed the situation, stating, “On the ramp, yes. We have a horse in problem, in difficulty.”

The flight eventually resumed later the same day, successfully reaching Liege Airport on Friday morning, as reported by FlightRadar24. The reason for transporting the horse remains unknown, adding a layer of mystery to the airborne escapade. Speculation points to the possibility of the horse being part of the racehorse transpor-

tation category, where different-sized containers cater to first-class, business class, and economy options for the animals.

This incident echoes a similar event in August when a bear managed to free itself from a crate on an Iraqi Airways flight from Dubai to Baghdad. Such occurrences highlight the challenges and surprises that can unfold when transporting live animals on aircraft, showcasing the need for secure and reliable containment methods during flights.

The Hidden Dangers of Buying Games and Gift Cards from G2A.com

SIMILAR to CDkeys.com, G2A.com is a popular online marketplace that offers a wide variety of games, gift cards, and other digital products at discounted prices. While the site may seem like an attractive option for budget-conscious gamers, you should be aware of several hidden dangers associated with purchasing from G2A before making a purchase.

Fraudulent Keys and Scams

One of the most significant risks of buying games from G2A is the possibility of purchasing a fraudulent key. These keys may be obtained through stolen credit cards or simply invalid, used, or revoked. If you receive a fraudulent key, you cannot activate the game and lose your money. Additionally, G2A has been known to be a haven for scammers who use the site to sell fake gift cards and other digital products.

Legal and Ethical Concerns

Another major concern with G2A is that the site often sells keys that were obtained through illegal or unethical means. For example, some sellers may purchase keys in bulk from regions with lower prices and then resell them at higher prices in other markets. Most of these codes that they buy are also very cheap due to them being stolen. This can violate the terms of service of the game publishers and can even be considered illegal in some cases. G2A even admitted this in court and had to pay a small developer up to \$40,000 in

damages.

Consumer Protection Issues

G2A's customer protection policies are not as strong as those of other online retailers. This means that you may have difficulty getting a refund or resolving a dispute if you encounter problems with a purchase. In some cases, G2A may even refuse to help you if you believe you have purchased a fraudulent key.

Support for Developers and Publishers

When you buy a game from G2A, you are not supporting the developers or publishers who created the game. This is because the sellers on G2A often purchase keys from sources that do not pay the developers or publishers royalties. As a result, buying games from G2A can indirectly contribute to the piracy industry and can harm the gaming industry as a whole.

Alternatives to G2A

There are a number of safer and

more ethical alternatives to G2A. For example, you can purchase games directly from the official stores of the game publishers, such as Steam, GOG.com, and Epic Games Store. You can also find discounted games on these platforms during sales and promotions. Additionally, there are a number of reputable online retailers that sell games and gift cards, such as Target, Amazon, and egamecorner.com (Aruba).

While G2A may offer tempting prices, the risks of buying from the site are simply too great. By supporting legitimate retailers and purchasing games from official sources, you can protect yourself from fraud, scams, and legal issues while supporting the developers and publishers who create the games you love.

In Aruba, you can purchase your codes safely at a local electronics store or locally based online stores such as egamecorner.com

The Meteoric Rise of Cloud Gaming:

A Revolution in Digital Entertainment

THE ever-evolving landscape of gaming, a technological phenomenon has taken center stage, revolutionizing the way we experience and access our favorite titles. Cloud gaming, a concept that has seen a staggering 1,019% surge in interest over the last five years, is reshaping the gaming industry as we know it.

The Downside of Traditional Online Game Purchases

The promise of purchasing a game online, with its convenience and vast selection, often collides with practical obstacles. Downloading games, especially from platforms like Sony Playstation with notoriously sluggish servers, can become a time-consuming ordeal. In some cases, the wait for a download can be so protracted that it becomes quicker to physically visit a store and obtain a tangible copy.

Additionally, hardware limitations and storage constraints on personal computers or gaming consoles can hinder the gaming experience. The need for cutting-edge equipment may prove a financial barrier, leading to performance issues for many enthusiasts.

Enter Cloud Gaming: A Game-Changer in the Digital Era

Cloud gaming emerges as a transformative solution, bypassing the traditional hurdles of game acquisition. Instead of purchasing and downloading a game, cloud gaming allows users to stream it in real-time. This innovation not only accelerates the gaming experience but also liberates users from the shackles of hardware limitations and storage concerns.

Gamers can now harness the power of the latest and most advanced hardware without the need for a substantial upfront investment. The absence of downloads translates into instant access to the gaming universe, eliminating the waiting time associated with traditional methods.

A Win-Win for Consumers and Industry Players

Cloud gaming isn't just a boon for gamers; it's a lucrative proposition for industry players. Services like PS Now exemplify how streaming services provide companies like Sony with a continuous revenue stream. Furthermore, cloud gaming offers publishers an avenue to monetize older games, even those from previous console generations, long after their initial release.

This shift in the gaming landscape heralds a new era of accessibility and longevity for gaming content. Gamers can explore a vast library of titles without the constraints of physical storage, while industry stakeholders tap into sustained revenue from both new and classic game offerings.

The Future of Gaming: Clouds on the Horizon

As the demand for cloud gaming continues to skyrocket, industry giants are investing heavily in infrastructure and technology to meet the growing needs of a tech-savvy gaming community. The clouds on the horizon indicate not a storm but a digital revolution, transforming the gaming experience into a seamless, on-demand adventure for players worldwide. Welcome to the era of cloud gaming, where the sky's the limit for digital entertainment.

It's in South Korea, you know that it's going to be a great show!

Random Facts:

- Faker and T1 have never lost to an LPL team in a BO5.

Former UFC Champion Francis Ngannou Enters WBC Heavyweight Rankings After Tyson Fury Clash

A surprising turn of events, former UFC heavyweight champion Francis Ngannou has secured the 10th spot in the World Boxing Council (WBC) heavyweight rankings following his professional boxing debut against champion Tyson Fury. The bout, held in Riyadh, Saudi Arabia, on October 28, ended in a split decision victory for Fury, despite Ngannou's remarkable third-round knockdown against the undefeated WBC titleholder.

At 37, Ngannou's transition from the octagon to the boxing ring has been marked by immediate recognition by the WBC, showcasing the impact of his performance against Fury. The Cameroon-born fighter made the shift to boxing after parting ways with the UFC earlier this year due to unsuccessful contract negotiations.

Although one judge scored the match 95-94 in favor of Ngannou, Fury prevailed with tallies of 96-93 and 95-94. Notably, Fury's WBC heavyweight title was not at stake in

this 10-round nontitle bout. Despite the loss, Ngannou's entry into the WBC rankings adds an intriguing element to the heavyweight division, as the English champion Fury now sets his sights on an undisputed heavyweight championship fight against Oleksandr Usyk, despite his arguably subpar performance against Ngannou.

MLB Playoff Dilemma: Striking a Balance Between Chaos and Regular Season Prestige

MAJOR League Baseball (MLB) is considering adjustments to its playoff format, sparking discussions among team owners in Arlington, Texas. Commissioner Rob Manfred has indicated that, despite concerns about the impact of a first-round bye, no immediate changes are on the horizon. The new 12-team structure, implemented two seasons ago, has led to varied outcomes for top seeds, prompting a reevaluation of its effectiveness.

The issue at hand is whether the recent struggles of division winners in the playoffs are a temporary anomaly or a sign of a larger shift. The concern is not just about the potential for lackluster World Series matchups but the broader impact on the regular season's integrity. MLB Players Association executive director Tony Clark has expressed worries that the current

format might diminish the value of finishing first in the regular season.

One proposed solution to enhance the regular season's significance is the introduction of awards for the best regular-season teams in each league. These awards, named after historical figures, would come with substantial rewards, adding prestige and tangible benefits to finishing with the league's best record. The top prize would be a No. 1 playoff seed that holds substantial value, giving teams a clear incentive to compete at the highest level throughout the regular season.

Another suggestion involves reverting to a four-division setup, eliminating the current issue where a division champion is treated similarly to a wild card. This change aims to provide a clear distinction between being a No. 3 seed and a 4, 5, or 6 seed, fostering a more competitive environment.

To address concerns about the impact of a long layoff on top-seeded teams, the proposal includes the introduction of a "ghost win" concept. This would give higher-seeded teams a head start in a playoff series, reflecting their regular-season success.

While various options are on the table, the overarching goal is to strike a balance between expanding the playoff field and maintaining the importance of the regular season. The league aims to find a format that ensures both excitement and fairness, acknowledging the challenges posed by the inherent randomness of baseball in a playoff setting.

Dodgers Executive Reflects on Corey Seager's Departure Following World Series MVP Win with Rangers

COREY Seager's outstanding performance in the Texas Rangers' recent World Series victory has sparked reflections on why the Los Angeles Dodgers, his former team, allowed the star shortstop to leave in the 2021-22 offseason. Seager's impressive postseason display, culminating in his second World Series MVP Award, added to the success of his 10-year, \$325 million deal with the Rangers.

Dodgers executive Andrew Friedman shed light on the decision during a recent appearance on the Dodgers Nation YouTube show. Friedman explained that the Dodgers had initially opted for Trea Turner over Seager, assuming they couldn't retain both. However, Turner eventually left for the Philadelphia Phillies last winter.

While Friedman couldn't delve into specifics, he acknowledged that efforts were made to keep Seager, but the negotiations didn't progress as anticipated. The Dodgers ultimately secured Freddie Freeman, redirecting their talent in a different manner.

With the shortstop market looming, the Dodgers, despite a stellar 100-win season, may find themselves in search of a replacement for Seager. The combination of veteran Miguel Rojas' defensive contributions and Gavin Lux's season-ending ACL injury has created a potential gap in the Dodgers' infield.

Max Verstappen's Dominance Rewrites Formula 1 History in 2023

THE realm of Formula 1, Max Verstappen is etching his name into the annals of greatness, having a season that surpasses the legends of the sport. The 2023 season has been a masterclass for the 26-year-old Dutch driver, who secured his third consecutive world championship with a win at the Qatar Grand Prix, joining an elite club of F1 titans.

Verstappen's remarkable performance extends beyond securing titles. Having

won 14 of the 17 races thus far, he has set a new standard for modern auto racing dominance. His winning streak of five races since Carlos Sainz Jr. interrupted his 10-race streak in Singapore showcases a level of consistency and excellence that rivals the best in F1 history.

Breaking his own records from the previous season, Verstappen's 16th win in Mexico City not only surpassed his 2022 record for most victories in a single season but also eclipsed Michael Schumacher's win percentage record. If he triumphs in Las Vegas and Abu Dhabi, finishing with 19 wins over 22 races, he could achieve an astounding 86% win percentage, setting a benchmark that may stand for generations.

Comparisons with the most domi-

nant seasons of F1's recent past, including those of Schumacher, Vettel, and Hamilton, reveal the magnitude of Verstappen's 2023 achievements. His average finish of 1.3, 11 pole positions, and a staggering 922 laps led paint a picture of unparalleled dominance.

As Verstappen aims to cap off an extraordinary season, the question looms: Can anyone challenge his supremacy in the remaining races? The 2023 season not only solidifies Verstappen's status as a modern racing legend but also sets a daunting standard for aspiring champions in the years to come. F1 enthusiasts eagerly await the conclusion of this historic season, wondering if Verstappen's achievements will indeed stand as unassailable landmarks in the rich tapestry of Formula 1 history.

The Best Noise-Canceling Headphones of 2023 and Black Friday Deals

SELECTING the best overall noise-canceling headphones can be a daunting task given the multitude of options available. Notable contenders include the recently launched Bose QuietComfort Ultra Headphones and QuietComfort Ultra Earbuds, alongside the well-regarded Sony WH-1000XM5 and Apple's AirPods Pro 2. Adding to the mix are Sony's WF-1000XM5 earbuds, renowned for their stellar performance, securing them a prominent spot on this list.

As the holiday season approaches, the question arises: Is it advisable to make headphone purchases during early Black Friday sales? Retailers commence Black Friday sales as early as Halloween, with varying deal quality initially. However, as November progresses, the discounts often match those offered during the traditional Thanksgiving weekend. It's worth keeping an eye on emerging Black Friday deals to capitalize on substantial discounts.

The highlighted headphones exhibit diverse designs, encompassing both full-size options and true-wireless earbuds. Shared characteristics among them include exceptional ambient noise reduction, comfortable fits, impressive sound quality, and robust voice-calling capabilities. These factors are crucial considerations when curating the best noise-

canceling headphones list. Pricing also factors into the equation, particularly for those seeking high value for their investment.

Each product featured on this list has undergone comprehensive reviews or hands-on listening sessions, ensuring an informed selection process. For budget-conscious consumers, a separate list of the best noise-canceling headphones under \$100 is available, catering to a different segment of the market. Additionally, individuals in pursuit of top-notch noise-canceling earbuds can refer to a dedicated list for their specific needs.

Taking center stage among the best noise-canceling headphones of 2023 are the Bose QuietComfort Ultra Headphones. Priced at \$429, these headphones boast an upgraded design, lightweight construction for enhanced comfort, exceptional sound quality, and top-tier noise-canceling capabilities. However, it's essential to note the absence of USB-C audio and the impact of the Immersive Audio mode on battery life. Despite these considerations, the Bose QuietComfort Ultra Headphones emerge as a compelling choice, rivaling industry favorites like Sony's WH-1000XM5 and Apple's AirPods

PepsiCo Faces Lawsuit by New York State Over Plastic Pollution

NEW York state has filed a lawsuit against PepsiCo, alleging that the company is a significant contributor to plastic pollution along Buffalo River, causing harm to water quality and wildlife.

The lawsuit claims that PepsiCo is the largest identifiable contributor to the issue. Last week, Coca-Cola, Danone, and Nestle faced accusations of making misleading claims about their plastic bottles.

PepsiCo, as the world's second-largest food company, is not exempt from the increasing scrutiny corporations face regarding their environmental impact. The lawsuit emphasizes the need for accountability, asserting that no company should be too big to prevent environmental and public health damage.

A survey conducted by the Attorney General's office found that PepsiCo's single-use plastic packaging constituted the most significant portion of identifiable waste along the

Buffalo River. Of the 1,916 pieces of plastic trash with identifiable brands, over 17% were attributed to PepsiCo.

PepsiCo, responsible for manufacturing, producing, and packaging at least 85 beverage brands and 25 snack food brands primarily in single-use plastic containers, insists on its commitment to plastic reduction and effective recycling. The company acknowledges the complexity of the issue, calling for collaboration among businesses, municipalities, waste reduction providers, community leaders, and consumers.

The lawsuit raises concerns about microplastics in Buffalo's drinking water supply, warning of potential adverse health effects, including reproductive dysfunction, inflammation of the intestine, and neurotoxic effects. The legal action against PepsiCo underscores the growing pressure on corporations to address their role in environmental issues and emphasizes the importance of transparent efforts to reduce plastic waste and promote sustainability.

Embracing Ecotherapy:

Harnessing the Healing Power of Nature for Enhanced Well-Being

A world where technology dominates our daily lives, the remedy for stress and mental fatigue might be simpler than we think. The growing trend of ecotherapy, also known as nature therapy, underscores the profound impact that immersing oneself in nature can have on overall well-being.

Recent studies have highlighted the therapeutic benefits of spending time in natural environments. Ecotherapy involves various activities, from simple walks in the park to more immersive experiences like wilderness retreats. This approach recognizes nature as a powerful healer, offering a respite from the hustle and bustle of modern life.

Connecting with Nature: The Science Behind It

Scientists and mental health experts are increasingly acknowledging the tangible benefits of connecting with nature. Exposure to green spaces has been linked to reduced stress levels, improved mood, and enhanced cognitive function. The natural environment provides a calming backdrop, promoting relaxation and a sense of tranquility.

Engaging with nature stimulates the production of serotonin, the neurotransmitter associated with mood regulation. Additionally, exposure to sunlight during outdoor activities triggers the synthesis of vitamin D, which is crucial for overall health, including immune system function and mental well-being.

Practical Ecotherapy Practices: From Forest Bathing to Wilderness Retreats

One popular form of ecotherapy is “forest bathing” or Shinrin-yoku, a Japanese practice that involves immersing oneself in the sights, sounds, and scents of a forest. This gentle, mindful experience has been proven to lower cortisol levels and promote a sense of calm.

For those seeking a more immersive experience, wilderness retreats provide an opportunity to unplug from technology and reconnect with the natural world. These retreats often combine outdoor activities, meditation, and education about the environment, fostering a holistic approach to well-being.

Urban Ecotherapy Initiatives: Bringing Nature to City Dwellers

Recognizing the challenges urban dwellers face in accessing natural spaces, some cities are implementing ecotherapy initiatives within urban environments. Green spaces, rooftop

gardens, and community parks are designed to provide residents with accessible sanctuaries for relaxation and reflection.

Additionally, programs such as nature-based therapy sessions and community gardening offer city residents avenues to experience the therapeutic benefits of nature even in the midst of urban landscapes.

The Call to Action: Prioritizing Nature in Our Lives

As the world grapples with increasing stressors and mental health concerns, the call to prioritize nature in our lives is louder than ever. Whether it's a leisurely stroll in the local park or a weekend retreat in the wilderness, integrating ecotherapy into our routines can contribute significantly to enhanced well-being.

Ecotherapy reminds us that, amidst our fast-paced, technology-driven lives, the healing power of nature remains readily available. So, take a break from the screens, step outside, and let the natural world become your ally in the pursuit of better mental and emotional health.

Unmasking Envy:

Maneuvering Through the Intricacies of a Common Emotion

ENVY, often referred to as the green-eyed monster, is an emotion that has been a silent companion to humanity throughout history. As universal as it is unsettling, envy has the power to influence behaviors, strain relationships, and cast shadows on personal well-being. Understanding this complex emotion and finding ways to navigate its impact is essential for fostering healthier connections and personal growth.

The Nature of Envy:

Envy arises when we perceive that others possess something—be it success, possessions, relationships, or talents—that we desire for ourselves. It thrives on comparison and a sense of lacking, manifesting as a mix of resentment, frustration, and covetousness. In the age of social media, where carefully curated glimpses into others' lives abound, envy can find fertile ground to flourish.

The Envy Spectrum: Healthy Competition to Destructive Resentment

Envy exists on a spectrum, ranging from benign admiration to corrosive resentment. At its milder end, envy can serve as a motivator, inspiring individuals to strive for personal growth and achievements. However, when left unchecked, it can morph into a destructive force, breeding feelings of inadequacy, bitterness, and even sabotaging relationships.

Navigating Envy: A Journey of Self-Reflection

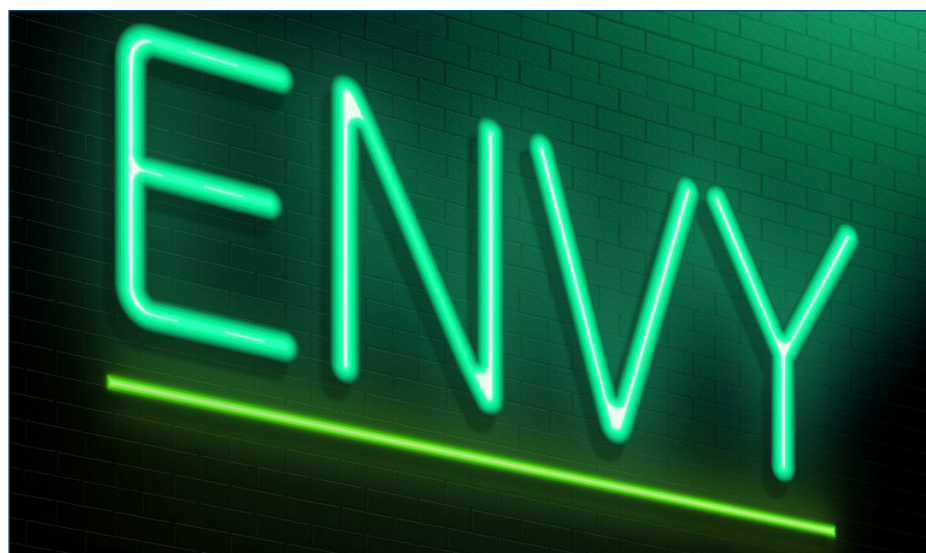

Understanding and managing envy requires a journey of self-reflection. Rather than suppressing or denying these feelings, it's essential to acknowledge them and explore their roots. What is it about another's success or possessions that triggers envy? Is there an unmet need or a deeper insecurity fueling these emotions?

Cultivating Gratitude as an Antidote:

Gratitude serves as a potent antidote to envy. By focusing on what we have rather than what we lack, we shift our perspective. Regularly practicing gratitude can rewire our thought patterns, fostering contentment and diminishing the allure of envy.

Turning Envy into Inspiration:

Rather than letting envy fester into negativity, use it as a source of inspiration. Channel the energy spent comparing

yourself into efforts to improve and achieve your goals. Transform envy into a driving force for personal growth and success.

Cultivating Empathy: A Bridge Over Envious Waters

Empathy, the ability to understand and share the feelings of another, is a powerful tool in mitigating envy. Instead of resenting someone's success, try to understand their journey, challenges, and hard work. Recognize that everyone faces struggles, and success often comes with its own set of sacrifices.

Building a Supportive Network:

Surrounding yourself with a supportive network can act as a buffer against envy. Genuine connections with friends, family, and mentors who celebrate your successes and provide constructive feedback can create a positive environment that discourages the growth of envy.

Seeking Professional Help:

If envy becomes a persistent and overwhelming emotion, seeking the guidance of a mental health professional can be beneficial. Therapy offers a safe space to explore the roots of envy and develop coping strategies for managing these complex emotions.

Envy is a human emotion that, when understood and managed, can be a catalyst for personal growth. By embracing self-reflection, cultivating gratitude, fostering empathy, and building a supportive network, individuals can navigate the green-eyed monster and foster healthier relationships with themselves and others.

Understanding Matthew 7:1-3's Message on Judging Others

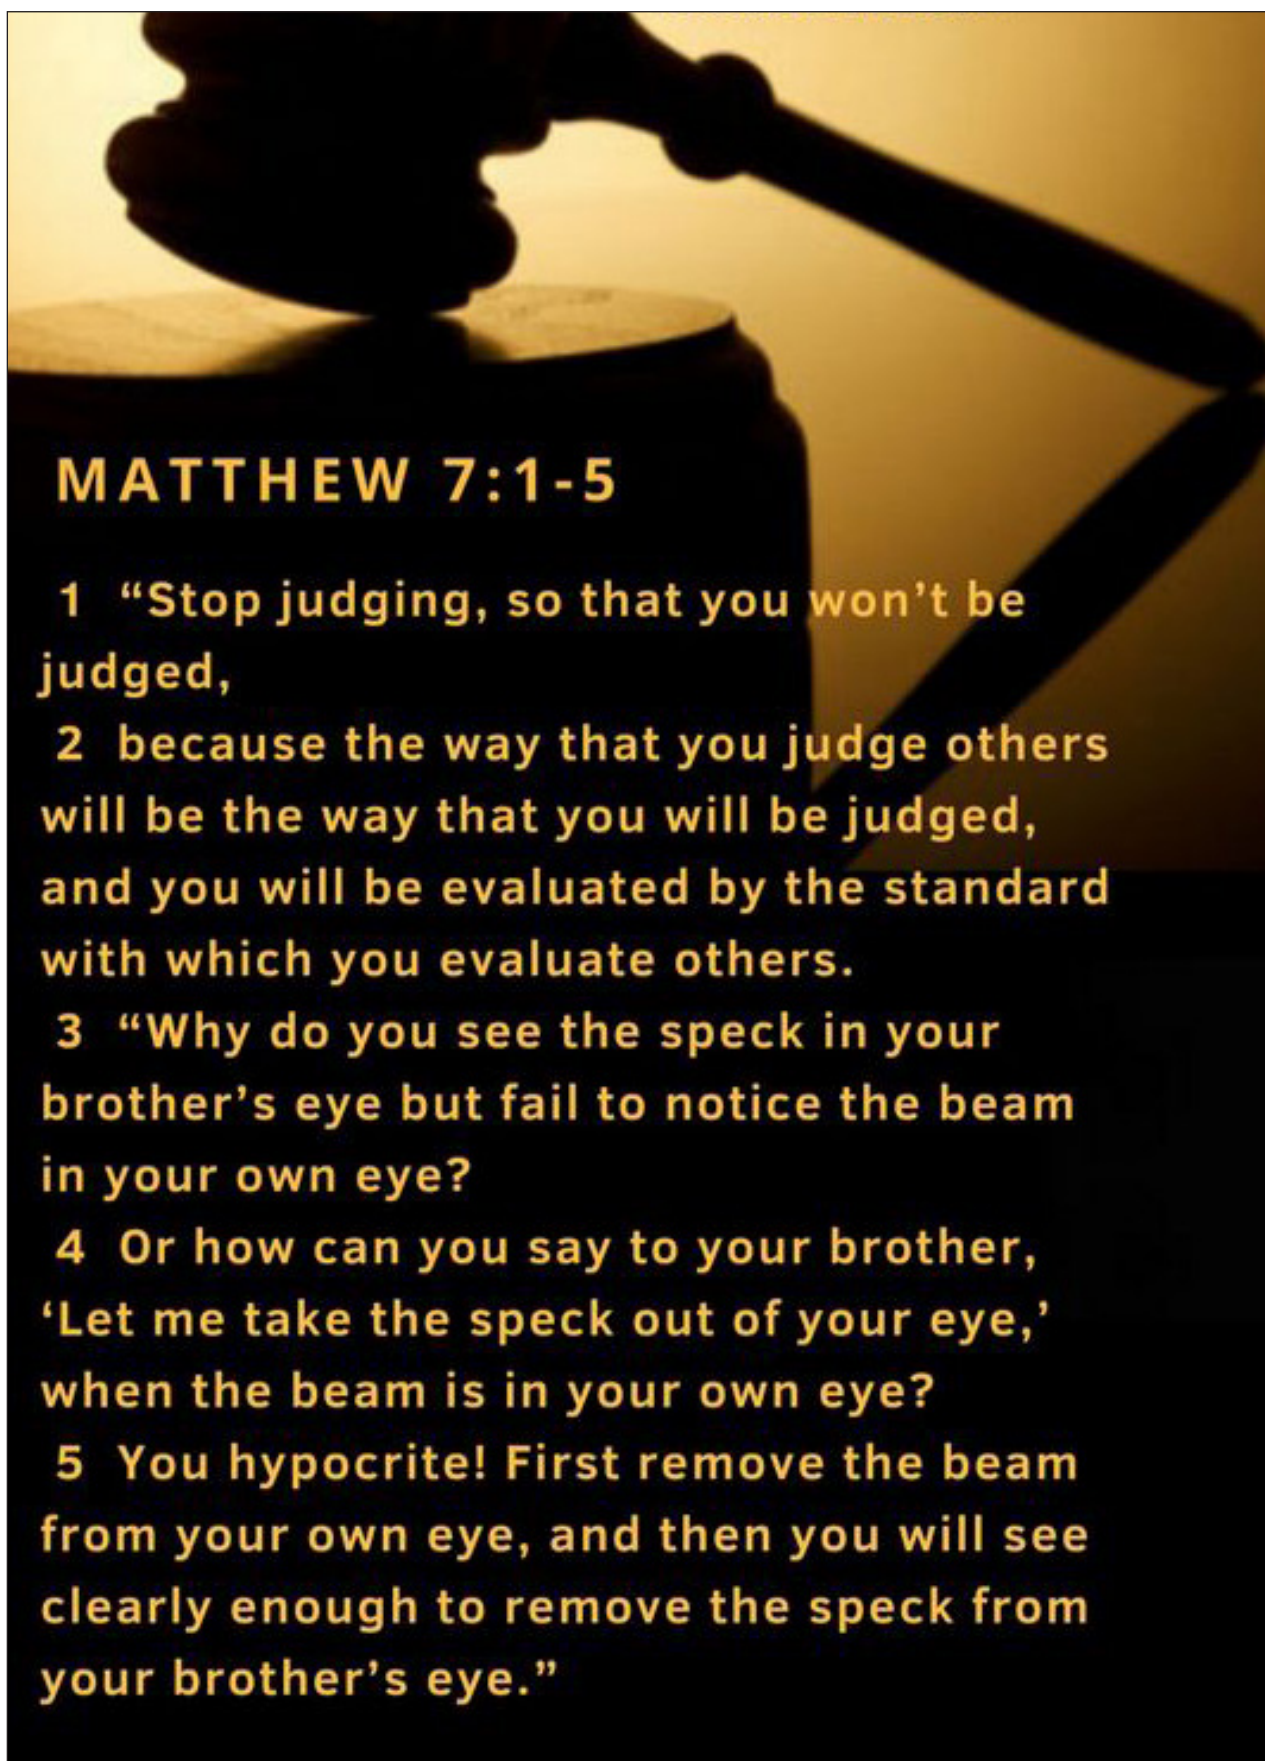

THE Gospel of Matthew 7:1-3 (NIV), a profound teaching from Jesus urges followers to adopt a stance of humility and self-reflection by refraining from judgment. The verses carry a timeless message that resonates with the intricacies of human interactions, emphasizing reciprocity in judgment and encouraging introspection.

“Do not judge, or you too will be judged. For in the same way you judge others, you will be judged, and with the measure you use, it will be measured to you. Why do you look at the speck of sawdust in your brother’s eye and pay no attention to the plank in your eye?”

At its core, this teaching warns against the pitfalls of passing judgment on others. The reciprocal nature of judgment presented in the passage underscores a fundamental truth: the standard by which individuals judge others will, in turn, be applied to them. This reciprocity serves as a powerful reminder that compassion and understanding are the same.

The call to avoid judgment extends beyond mere caution; it is an invitation to cultivate humility. By directing attention to the metaphorical “plank” in one’s eye, the teaching prompts self-reflection. By acknowledging our imperfections and biases, we can better appreciate the complexities that others navigate. This humility is not a dismissal of discernment but a reminder that genuine understanding arises from a place of empathy rather than condemnation.

In a world often quick to criticize, these verses advocate for a shift in perspective. Jesus uses the metaphor of a speck of sawdust and a plank to illustrate the irony of hyper-focusing on others’ minor flaws while neglecting significant issues within oneself. The vivid imagery encourages followers to

MATTHEW 7:1-5

1 “Stop judging, so that you won’t be judged,

2 because the way that you judge others will be the way that you will be judged, and you will be evaluated by the standard with which you evaluate others.

3 “Why do you see the speck in your brother’s eye but fail to notice the beam in your own eye?

4 Or how can you say to your brother, ‘Let me take the speck out of your eye,’ when the beam is in your own eye?

5 You hypocrite! First remove the beam from your own eye, and then you will see clearly enough to remove the speck from your brother’s eye.”

address personal shortcomings before scrutinizing others.

As the teachings of Matthew 7:1-3 unfold, a broader spiritual principle emerges—the acknowledgment of a shared human experience. By recognizing our struggles and acknowledging the challenges faced by others, we can foster compassion and unity.

In contemporary society, where differences abound and opinions diverge,

the wisdom of these verses remains relevant. Whether in personal relationships, societal interactions, or online discourse, the call to refrain from judgment echoes across time, inviting individuals to embrace humility, practice self-awareness, and extend understanding to those they encounter. In doing so, we participate in building a more compassionate and interconnected world—one where the measure of judgment reflects the depth of our empathy.

Polished Table Manners

Mastering the Art of Dining Etiquette

Dining etiquette is a subtle dance that transcends the mere act of eating; it is a social ritual that speaks volumes about one's refinement and consideration for others. Whether you find yourself at a formal dinner party, a business luncheon, or a cozy family meal, understanding and practicing dining etiquette can leave a lasting impression.

The journey into impeccable dining etiquette begins with the basics of table setting. Familiarize yourself with the arrangement of utensils, glasses, and napkins. Your napkin, upon sitting, should gracefully find its place on your lap, ready for discreet use.

A cardinal rule of dining etiquette is to wait for everyone to be served or given permission before starting your meal. This simple act conveys respect and cultivates a sense of shared experience. As you indulge in the culinary delights, remember to chew with your mouth closed, savoring each bite without engaging in conversation with the food in your mouth.

Understanding the nuances of utensil usage is crucial. Work your way from the outermost utensils inward, signaling the progression of courses. When passing dishes, do so to the

right, and serve yourself before offering to others.

Conversation is an integral part of any dining experience, but it should be approached with finesse. Engage in polite discourse, steering clear of controversial topics. Silence your phone, keep it on silent mode, and avoid distractions to fully immerse yourself in the present moment.

Expressing gratitude for the meal is a gesture that should never be overlooked. Whether dining at a restaurant or in someone's home, a simple "thank you" is a mark of appreciation.

As you draw your dining experience to a close, signal that you have finished by placing your utensils parallel on the plate, handles at 4 o'clock, and tips at 10 o'clock. This silent cue allows the staff to seamlessly clear your plate.

Dining etiquette is about more than just adhering to a set of rules; it's a reflection of your respect for others and your ability to navigate social situations with grace. Mastering these subtleties ensures that your presence at the dining table is not just about eating but an elevated experience that leaves a positive and lasting impression.
